EXPERIENCE

Trainee - Full Stack Web Developer

Dev Academy Aotearoa

Jan 2023 - May 2023

- Completed a 17-week web development training program, including 5 weeks of self-directed study and a 9-week hands-on coding bootcamp.
- Collaborated in programming pairs and teams to tackle coding challenges and group projects.
- Developed strong communication and teamwork skills through collaboration with peers.
- Applied agile methodologies to deliver functioning applications on time.
- Made significant contributions to a major project during the bootcamp, involving debugging and updating a large codebase. Implemented new designs, added animations, migrated to TypeScript, and utilised the Tailwind CSS framework for CSS updates.
- Played a key role in developing a Restaurant Web App, responsible for frontend design and development using Tailwind CSS and integrating backend data.
- Created a personalised Food Recipe Web App, streamlining the cooking process and providing innovative meal ideas for users. Gained valuable experience in full-stack development, including API integration and designing responsive interfaces.

Store Manager

Starbucks, St Lukes

Jun 2020 - Feb 2023

- Demonstrated leadership and management skills, overseeing technical support, hardware, and software.
- Adapted quickly to new technologies, such as payroll software and staff scheduling systems.
- Recruited and interviewed staff, provided effective training, and motivated team members to achieve targets and improve efficiency.
- Managed inventory, assisted with product display, stocking, and marketing, resulting in increased sales and revenue.

Shift Supervisor

Starbucks, 220 Queen Street

Jun 2017 - Jun 2020

- Provided exceptional customer service, resolving complaints and ensuring customer satisfaction and retention.
- Handled cash, verified the safe, and made daily deposits with financial integrity.
- Conducted regular performance reviews to ensure team members met established standards.

KitchenHand & Waitress

Thai Village Restaurant, Remuera

Feb 2012 - Jun 2017

- Developed front-line customer service skills through waitressing, taking orders, and fulfilling requests.
- Operated cash registers, handled cash, and processed electronic payments.
